

STATE OF HAWAII — DEPARTMENT OF TAXATION
INSTRUCTIONS FOR FORM G-6 AND FORM G-6S
Application for Exemption From General Excise Taxes

GENERAL INSTRUCTIONS

PURPOSE OF FORM

Use Form G-6 or Form G-6S to apply for an exemption from the general excise tax (GET) based on an organization's tax exempt status recognized by the Internal Revenue Service (IRS) under specific sections of the Internal Revenue Code (IRC) as indicated below, and as provided for under Hawaii Revised Statutes (HRS) Chapter 237.

Organizations that file an application with and who receive approval from the Department of Taxation (Department) may claim a GET exemption on their gross receipts from their fraternal, religious, charitable, scientific, educational, communal, or social welfare activities, or from their activities as a hospital, infirmary, sanitarium, or potable water company as described under HRS §237-23(b).

WHICH FORM TO FILE

Form G-6S - Use this form if the organization (but not a subordinate organization) is applying within three years from the date the organization received or applied for a federal income tax exemption as an organization described under IRC §§501(c)(3), (4), (6), (8), or a potable water company exempt under IRC §501(c)(12).

Form G-6 - All other organizations **must** use Form G-6 including:

- Subordinate Organizations (See Subordinate Organizations below for more information.)
- Organizations that filed federal Form 1023 or 1024 **more than 3 years** before this application was made.
- IRC §501(c)(5) agricultural or horticultural organizations.

Subordinate Organizations

A subordinate organization is a chapter, local, post, or unit of a central organization (e.g., a church or the Boy Scouts). A subordinate organization may or may not be incorporated, but it must have an organizing document.

A central organization is an organization that has one or more subordinates under its general supervision or control. A central organization may be a subordinate itself, such as a State organization that has subordinate units and is itself affiliated with a central (national) organization.

A group exemption letter issued by the IRS is the document that grants an exemption from federal income tax. The letter issued to the central organization may or may not cover subordinate organizations.

A. Group Exemption letter

If the group exemption letter issued by the IRS covers the subordinate organization, submit a copy of the letter along with a completed Form G-6.

B. No Group Exemption Letter

First, the subordinate organization should verify with the central organization that it is not covered under the group exemption letter issued by the IRS. If it is not covered, ask the central organization to include the subordinate organization in the next annual group ruling update that it submits to the IRS. A conditional approval of Form G-6 may be granted until the subordinate organization can show that it is included in the central organization's group exemption.

WHEN TO FILE

If you are a Hawaii organization and you file your application within 3 months from date you were legally formed and your application is approved, then your GET exemption will be effective on the date you were legally formed.

If you are an out-of-state organization and you file your application within the first 3 months of your activity in Hawaii and your application is approved, then your GET exemption will be effective on the date you began your activity in Hawaii.

If you do not fall into either of these categories and your application is approved, then your GET exemption will be effective on the date your application is filed with the Department of Taxation.

Gross receipts received prior to the effective date of the GET exemption will not be covered under the exemption and may be subject to the GET. Retroactive approval may be granted in certain cases. See the instructions for line 12C for more information.

Line 10. Check the appropriate box to indicate the HRS section under which the organization is applying for a GET exemption. Only organizations which are described below may apply for a GET exemption.

Section 237-23(a)(3), HRS: "Fraternal benefit societies, orders, or associations, operating under the lodge system, or for the exclusive benefit of the members of the fraternity itself, operating under the lodge system, and providing for the payment of death, sick, accident, a prepaid legal service plan, or other benefits to the members of such societies, orders or associations, and to their dependents."

Section 237-23(a)(7), HRS: "Companies that provide potable water to residential communities that lack any access to public utility water services and are tax exempt under section 501(c)(12) of the Internal Revenue Code of 1986, as amended;"

Line 11. Check the appropriate box to indicate the IRC section under which the organization has received or has applied for a federal income tax exemption.

Line 12. All items MUST Be Submitted With the Completed Application

A. \$20 Registration Fee — There is a one-time \$20 registration fee that must be paid with your application unless you have already paid it. Make your check/money order payable to: HAWAII STATE TAX COLLECTOR. If you have a GET license and have already paid the \$20 registration fee, enter your GET Hawaii Tax I.D. number on line 2. You do not have to pay the fee again. If you have an employer's withholding I.D. number but not a GET license, you must pay the \$20 registration fee with this application since there is no fee for acquiring an employer's withholding identification number.

B. IRS Determination Letter Granting Federal Tax Exemption — If you have received your IRS determination letter granting you a federal income tax exemption, submit a copy of the letter. If you have applied for, but have not received your IRS determination letter, enter the date you filed your federal Form 1023 or 1024 application with the IRS. If you have not submitted an application with the IRS, enclose a statement explaining why. *(Note: Churches, their integrated auxiliaries, and conventions or associations of churches, or any organization (other than a private foundation) normally having annual gross receipts of not more than \$5,000 are not required to apply for recognition of exempt status with the IRS, therefore, they are not required to submit the IRS determination letter.)*

The Department may approve your application on a conditional basis, but you must submit a copy of your IRS determination letter to the Department to receive permanent approval. If you do not submit your IRS determination letter or you receive an unfavorable determination, the Department will rescind its approval.

If the organization is covered under a group exemption granted by the IRS to a central organization, submit (1) a copy of the IRS letter granting the central organization a group exemption from the federal income tax, and (2) a letter from the central organization stating that the subordinate organization is included in the IRS group exemption letter.

If the organization is a subordinate controlled by a central organization

(e.g., a church or the Boy Scouts), check with the central organization to see if it has been issued a group exemption letter that covers the subordinate organization. If the group exemption letter does not cover the subordinate organization, ask the central organization to include it in the next annual group ruling update that it submits to the IRS. A conditional approval of this application for exemption from GET may be granted until the subordinate organization can show that it is included in the central organization's group exemption letter.

C. Statement to Request Retroactive Approval — The Department may grant retroactive approval if the organization can show that it acted reasonably and in good faith and that granting retroactive approval will not prejudice the interests of the Department. If you would like to request retroactive approval, provide an affidavit stating:

- (1) the requested effective date,
- (2) whether or not your application was filed before the Department discovered that you did not file an application,
- (3) whether or not you are under examination or audit for the periods within the retroactive request, and
- (4) the reasons your application was not timely filed including a description of the events that led to your failure to file an application and to the discovery of the failure to file. For example:
 - (a) You inadvertently failed to file the application because of certain intervening events beyond your control;
 - (b) You, after exercising reasonable diligence (taking into account your experience), were unaware of the necessity for filing the application;
 - (c) You reasonably relied on the written advice of the Department; or
 - (d) You reasonably relied on a qualified tax professional, including a tax professional employed by the organization, and the tax professional failed to file or advise you to file the application. If you relied on a qualified tax professional for advice, your affidavit must describe the engagement and responsibilities of the professional as well as the extent to which the organization relied on the professional.

The affidavit must be accompanied by a dated declaration, signed by an authorized representative of the organization, which states "Under penalties provided by section 231-36, HRS, I declare that I have examined this request, including accompanying documents, and, to the best of my knowledge and belief, the request contains all the relevant facts relating to the request, and such facts are true, correct, and complete." The individual who signs for the organization must have personal knowledge of the facts and circumstances at issue.

D. Form BB-1 — In certain circumstances (as explained below), you are required to obtain a GET license and file GET returns even if you qualify for a GET exemption. Failure to do so may result in the loss of all or part of your GET tax benefits pursuant to HRS §237-9.3. See Tax Information Release Nos. 2010-05 and 2011-04 for more information. You must submit Form BB-1, State of Hawaii Basic Business Application, to obtain a GET license and file GET returns if:

(1) you are/will engage in any "fundraising activities" (i.e., activities conducted with the primary purpose of generating income, and that are outside of your stated exempt purpose). The gross receipts from "fundraising activities" (e.g., golf tournaments, bake sales, car washes, silent auctions, etc.) are subject to the GET; and/or

(2) you have unrelated trade or business income; and/or

(3) you are *required* to file federal Form 990, 990-EZ, or 990-T.
